

Camp SEA Lab 2024 Informational Letter

Dear 8th Grade Parents,

Planning for this year's 8th grade signature trip is well underway. We would like to provide you with some important information about our trip to USS Hornet and Camp SEA Lab in March of 2024. This year's trip has been scheduled for Tuesday March 19th through Friday March 22nd. We will leave RSA from school Tuesday around 1:30pm and arrive back on campus @ approximately 6-7pm on Friday March 22nd. Our Itinerary includes a stay on the USS Hornet on Tuesday night and a 2 night/ 3 day stay at Camp Sea Lab that will include a wide variety of adventurous and educational activities (see attached itinerary). Venues and transportation have been reserved and the final cost per student is \$625.00.

Your child's excursion will arrive quickly. Please begin planning now to meet the trip's financial schedule of payments (see attached schedule) to ensure that the school can in turn meet their financial deposit and payment obligations that secure our trip. If you have participated in the Raffle ticket sales this year or have past monies in your students account, the school will apply the monies to your students' trip. Please note that the deposit **must** be paid on time and in full to secure your child's spot. Any other past monies will be applied to future payments unless you have enough to cover the entirety of the trip. In past years we have had parents step up to spearhead other fundraising ideas and events. If you are interested in being a parent volunteer to help lead fundraising efforts, please contact one of the staff members listed below and we can connect you with other interested parents who wish to lead any activities.

Finally, we will have an orientation meeting in February to go over final trip details, financial deadlines, and required paperwork. We're looking forward to providing this adventurous educational opportunity for your student this Spring!

Mrs. Wahl, Principal
