We need your help — our amazing RSA families - to pull off this wonderful night of entertainment and fundraising!

The Annual Dinner Auction is a night of celebration and fundraising, a night of building our parent community and coming out to support the very mission of our school. The funds raised during our auction directly benefit the student body; helping fulfill needs in the classrooms and supporting activities such as field trips and academic programs that make RSA special. Because of your hard work in the recent years, our children now enjoy the opportunity to learn to play and read music in a new piano lab, test themselves on the outdoor exercise circuit, and use materials and programs that bring their lessons to life in the classroom. Every year our families along with local businesses step up to support our school with donations. This year we ask for your continued support! Your contributions will directly affect your student's school experience.

Family Participation

To create an auction that will draw the attention and ultimately the dollars we are hoping for, we are asking that EVERY family donate an item of value. Your family's donation may be:

- An item or service you’ve solicited from a business
- An item you or your company provides
- A cash donation
- Handcrafted items
- An experience (plane rides, guided tour, cooking lessons, etc)
- A new item you have purchased

Additional Ways to Get Involved

In addition to family donations, we have many opportunities for parents to earn volunteer hours, share artistic talents, and help manage the finer details of an event this size. Contact Mari McCurdy at 530-949-1550 for opportunities from ticket sales to classroom project help to event setup/cleanup.

Your efforts, talents, and generosity amaze us each year! We are looking forward with great anticipation to see what kind of magic we can create this year. It is a special opportunity for us as parents to come together and share how special the RSA program is with the rest of the community as well as celebrate our passion for arts in education!
