Volunteer Log Sheet 2011-12

REDDING SCHOOL of the ARTS
WHERE EDUCATION AND THE ARTS CONNECT

Parent/guardian participation is essential to the success of Redding School of the Arts. Research has shown that children learn more when their parent/guardian is involved in their education. As a condition of enrollment at RSA, families are required to volunteer 40 hours per household, per school year.

Please record your family's volunteer hours on this form. Hours should be written in decimal form and in 15 minute increments. (Example: 2 hours and 15 minutes would be written 2.25.) Families are required to submit this form throughout the year based on the schedule outlined below. For more information regarding RSA's Volunteer Policy, please see Page 22 of the RSA Family Handbook.

Due Dates: The timeline for completion and submittal of volunteer hours is 20 hours by December 22nd, 30 hours by March 1st and 40 hours by June 1st.
