A FELLOW
BRICK ROAD

ROAD TO THE NORTH STATE CHILDREN'S THEATER

Be the first to be a part of "THE FELLOW BRICK ROAD"

FPAE Road To The Theater

Redding School of the Arts, the Foundation for Promoting Arts Education and Trilogy Architecture invite you to join us in paving a new pathway to our children's future. With the exciting completion of RSA's state-of-the-art Platinum LEED certified campus, plans are now underway for an adjacent North State Children's Theater. Help us "LEED the way," by contributing to a commemorative "brick road" between the campus and the theater, a symbol of our dedication to connecting arts, education, and sustainability.

For each contribution of \$100 dollars or more, one 4"x 8" brick inscribed with the name of your family, group, businesses, or quotation of your choice will be placed in a...

"Road to the Theater."

For each contribution of \$300 dollars, one 8"x 8" brick inscribed with the name of your family, group, business or quotation up to four lines will be strategically placed in the pathway.

Your contribution will support arts programs at the school, as well as the design and construction of the

North State Children's Theater.

Each brick is tax deductible.
