## Redding School of the Arts

### Virtual Study and Homeschool

### Application and Acceptance Procedures

Our homeschool team is very dedicated to providing families a homeschool program that meets the needs of every family here at RSA. Aside from weekly or bimonthly consultation, we offer many onsite academic and enrichment classes plus weekly open lab times for students and guided mini labs in writing, math, science, etc.

To begin your homeschool experience at RSA please fill out and submit your application to the main office or by fax to (530) 243-4318. Once your application is accepted, enrollment is determined by the following guidelines as spelled out in our RSA Charter.

1. Returning students who have submitted an intent to return form
2. Applications from children and grandchildren of employees
3. Applications for siblings of already enrolled homeschool students
4. Remaining spaces are filled by lottery as per our charter in the following manner:
  - a. 1<sup>st</sup> draw for applications turned in prior to January 22<sup>nd</sup>
  - b. 2<sup>nd</sup> draw for applications submitted by April 24<sup>th</sup> (4<sup>th</sup> Monday in April)
5. This year's lottery draw is on May 2<sup>nd</sup> and all families will be contacted within one week of the lottery draw.
6. Remaining students who did not secure a spot for the 2020/2021 school year will be placed onto a waiting list until a position comes available or another instructor is hired to accommodate our growing numbers
