STATE REQUIRED TESTING– Parent Opt Outs

Parent/Student Agreement

Dear Family,

Welcome to RSA! We are glad that you have joined our incredible community. Redding School of the Arts (RSA) is a unique school where administrators, teachers, parents, and children work together to create an engaging learning environment that will reach the whole child.

We are very proud of our school and the results we see in the lives of the children who attend RSA, as well as those who have graduated from our program. Those who go through our program from kindergarten through eighth grade tend to be self-confident, lifelong learners who are good citizens, and have an appreciation of the arts. This is brought about by the dedication of the multi-talented staff and parents here at RSA. Welcome to the team!

This handbook is meant to be used by parents, students, teachers, and anyone interested in knowing how things work here at RSA. We encourage you to read through it and become familiar with it. When things seem unclear regarding rules or policies, please check here first. You may find the answers you are looking for.

Warmly,
The RSA Staff

Diversity

Children are diverse in learning styles, language, cultural and religious backgrounds, developmental levels, and social and emotional understandings. Our goal is to respond in ways that honor the richness of this diversity. It means that students, teachers, and parents at RSA respect and appreciate diversity, realizing that we all contribute in unique ways to the RSA family. RSA will not discriminate against any student or employee based on actual or perceived characteristics of nationality, race, ethnicity, religion, sex, gender, ethnic group identification, age, national origin, ancestry, genetic characteristics, mental or physical disability, marital status, sexual orientation, gender identity, gender expression or association with a person or group with one or more of these actual or perceived characteristics or other category protected by law

Curriculum

Thematic instruction is interdisciplinary teaching that organizes instruction around, and delivers curriculum through, the exploration of major issues. RSA uses a three-year thematic rotation. We rotate through the themes of: California and U.S. history, Ancient Civilizations and Eastern Hemisphere Studies (Africa, Asia and Early European). The kindergarten through eighth grade curriculum encompasses language arts, math, science, social studies, visual and performing arts, Mandarin as a foreign language and P.E. all through this interdisciplinary, thematic, project-based approach.

Mandarin Immersion Program

What is immersion?

RSA's Mandarin immersion program started in August 2007. Students who are accepted into this program will spend part of the day in a classroom where they are surrounded by English, learning academic subjects such as social studies, reading, language arts, math concepts, and new academic vocabulary in English. The other part of their day is spent in Mandarin, learning to read and write Mandarin, math concepts and science.

Why immersion and not a traditional language class at elective time?

When you were two, your mother probably did not tell you the difference between a verb and a noun in order to help you say them in the right word order; You learned by listening and interacting with the people around you. That type of language learning is called language acquisition through immersion. We believe that this is the best way for a student to become fluent in Mandarin. We immerse them in the language and let them discover the language in everyday situations; thus mimicking the way they learned their first language.

Why Mandarin?

There are many benefits to learning Mandarin. The U.S. Government has classified it as a Class IV language, which means it is a very difficult language for English speakers to learn. Studies show that children who learn a class four language as their second language tend to do better on academic test scores and have an easier time learning a third language.

Mandarin is a language that typically students struggle to become fluent when he/she begins studying in middle school or high school, although it can be done. Learning the language at an early age gives the student the ability to understand, assimilate and mimic the highly tonal Mandarin language quickly and naturally, as well as develop a cultural awareness. Finally, Mandarin is one of the fastest growing languages in the world. What a great opportunity to give our children the gift of a new language!

The silent period

Just as a baby cannot speak the moment he hears his first repeated word, so it is with a kindergartener in an immersion program. A child may not speak a word of Mandarin for months. It is only when they begin to feel comfortable with the language that they begin to show what they are internalizing. All

children understand a new language (receptive) before they exhibit (expressive) what they know. Please be patient, they are learning more than they show. This is often true for students through first grade.

How different will it be from the general education program?

RSA's mission is enhanced by the Mandarin program. Every child learns to read, write, calculate, problem solve, citizenship, as well as being exposed to and engaging in the visual and performing arts. The main difference will be that your child will learn a new language, (speak, read, and write in Mandarin) in addition to their regular academic program.

What does the future hold for the program?

Children must enter the program in kindergarten or 1st grade. No child will be admitted to the Mandarin program after November break of their 1st grade year. Once a child is in the program they will remain in the Mandarin immersion class through 5th grade and transition to an academic period during their middle school years. In addition, all children included in the Mandarin program will participate in the visual and performance arts classes offered at RSA. After the kindergarten year, if you decide as a family that you no longer wish your child to be in the immersion program, but you want to have your child at RSA, please contact the Administration of RSA to see if there is available space in the English education classroom for your child. Only students who demonstrate grade level Mandarin proficiency may test into the program in subsequent years.

RSA students completing the Mandarin program through 8th grade, experience a broad, academically challenging career through their RSA years and obtain the skill level to test into a Chinese 2 or 3 class in high school.

Health and Important Enrollment Requirements

Evidence of Age

Prior to admission to any school, the parent/guardian must present proof of the age of their child. Evidence of age can be in the form of a certified birth certificate or a statement by the local registrar or county recorder certifying the date of birth, a baptism certificate duly attested, a passport, or when none of the foregoing is obtainable, an affidavit by the parent. (E.C. 48002)

Minimum Age Requirement for Kindergarten

RSA follows the minimum age requirements outlined in AB544. Students must reach the age of 5 years by September 1 in order to enroll and attend kindergarten on the first day of school. When enrolling in TK for home school program, students must turn five between the dates of September 2 and December 1. RSA does not offer a TK classroom based program.

Kindergarten Roundup

Kindergarten Roundup is provided by the Special Education staff in the spring for all incoming Kindergarten students for the following fall. This is a screening of various skills for Kindergarten readiness. These skills include:

- Gross Motor skills such as hopping on one foot, kicking, throwing and catching a ball, and walking on a balance beam.
- Academic readiness such as letter and number identification, and knowledge of colors and shapes. This is screened by the Kindergarten teacher or a paraprofessional.

Immunizations

To protect the health of all students and staff and to curtail the spread of infectious diseases, the Governing Board desires to cooperate with state and local health agencies to uphold the laws regarding immunization requirements. New immunization requirements:

- ❖ Under the law known as SB 277, beginning January 1, 2016 exemptions based on personal beliefs, including religious beliefs, will no longer be an option for the vaccines that are currently required for entry into child care or school in California. No child may be admitted to classroom

based programs unless the child has been fully immunized prior to admission against poliomyelitis (polio), rubella (measles, German measles), mumps, diphtheria, pertussis (whooping cough), tetanus, Hepatitis B, and Varicella (VZV), and any other disease deemed appropriate by the department.

- ❖ Starting in 2012 all students entering into 7th-12th grade will need proof of the Tdap booster prior to starting school. Acceptable evidence of immunization is a certificate signed by the physician or agency that administered the immunization (E.C.46010.5 and 49403).
- ❖ Starting in 2019, all students entering 7th -12th grade will need to provide proof of **2** Varicella shots prior to starting school (California Code of Regulations Title 17, Division 1, Chapter 4).
- ❖ If a student is enrolled and fails to fulfill the immunization requirements, the school will prohibit the student from onsite classes until that student has been fully immunized. Immunization records are reviewed by the school nurse. For additional details on SB277 see the RSA Immunization Policy and/or

https://leginfo.ca.gov/faces/billNavClient.xhtml?bill_id=201520160SB277

Vision and Hearing

In grades Kindergarten, Second, Fifth and Eighth the School shall test the student's vision and hearing. The vision test shall include tests for visual acuity and color vision, although the color vision shall be appraised once and only on male students, the results of which shall be entered in the health records and need not begin until the student is in first grade. Classroom teachers are responsible for continuous observation of the appearance, behavior and complaints of students that might indicate vision problems. Where a student's school performance begins to give evidence that the existence of the problem might be caused by a visual difficulty, a visual evaluations hall be done in consultation with the school nurse.

The vision evaluation may be waived by the parents/guardians if they present a certificate from a physician and surgeon or an optometrist laying out the results of a determination of the child's vision, including visual acuity and color.

Dental

California law mandates that all kindergarten students and first grade students entering public school for the first time receive an oral health assessment. The law specifies that a licensed dentist or other registered dental health professional must perform the assessment. Oral health assessments that have happened within the last 12 months before your child enters school also meet this requirement.

First Grade Physical Examinations

All students entering first grade must provide evidence of a physical examination that was completed not earlier than 18 months prior to entering first grade. (Health and Safety Code 124085; 124100; 124105)

Speech and Language skills

Speech and language skills such as vocabulary knowledge, sound development, grammar, and language ability are important for learning and communicating and are evaluated in the Kindergarten classroom and again in second grade by the speech-language pathologist.

Health Guidelines

Illness

A child who is ill should not be sent to school, since this may result in his/her health becoming worse and exposing others. Good indicators that students should be kept home are temperature or vomiting within the previous 24-hour period. Students should be kept home until they are fever-free, without medication, for a 24-hour period.

Please inform the school if your child has any of the following diseases: Chicken pox, measles, scarlet fever, infectious Hepatitis A, Bacterial Meningitis, Conjunctivitis (pink eye), Impetigo, Ringworm, Scabies, or head lice. Notices informing parents of possible exposure to an infectious disease may be sent home with students if deemed necessary. The note will indicate the grade and class of those exposed and will include a brief description of symptoms.

Head Lice

To prevent the spread of head lice infestations, School personnel shall report all suspected cases of head lice to the School nurse, or designee, as soon as possible. The nurse, or designee, shall examine the student and any siblings of affected students or members of the same household in accordance with the School's health examination policy. If lice are seen on a child at school the parents should be called to pick up the child at the end of the school day and be given a copy of the brochure "A Parent's Guide to Head Lice". At home, all members of the family must be checked for head lice. This policy allows the parent to treat the child overnight. The day following treatment, the child should be re-examined and admitted to class. If the child is still infested, then the parent should be re-contacted.

While classroom or school-wide notification is not recommended after head lice have been detected in a student, this policy is at the discretion of the school nurse or administration. In the event of two or more persons infested with live lice in the same classroom, an exposure notice with information about head lice maybe sent home to all parents/guardians of the students that have been exposed to the head lice.

School personnel shall maintain the privacy of students identified as having head lice and excluded from attendance.

Medicine on School Campus

No medication – including pain relievers, asthma inhalers, cough drops, antibiotics, poison oak medication, antihistamines, or any other type of tablet, liquid, or ointment – will be administered to students at school unless a "Request for Medication" form, completed and signed by both the doctor and the parent, is turned in to school along with the medication. This form must be updated yearly. All medications must be delivered to the school by the parent/guardian or his/her adult representative. Medication must be in a properly labeled pharmacy bottle containing the name and telephone number of the pharmacy, the student's name, name of the doctor, and dosage of medication. All medication will be kept in the office in a locked container.

Before the School will allow a student to carry and self-administer prescription auto-injectable epinephrine, inhaled asthma medication, or have authorized School personnel administer medications or otherwise assist a student in administering his or her medication, the School must receive a copy of the following:

1. A written statement executed by the student's authorized health care provider specifying the medication the student is to take, the dosage, and the period of time during which the medication is to be taken and a statement that the medication must be taken during regular school hours, as well as detailing the method, amount and time schedule by which the medication is to be taken;
2. A written statement by the student's parent or guardian initiating a request to have the medication administered to the student or to have the student otherwise assisted in the administration of the medication, in accordance with the authorized health care provider's written statement. The written statement shall also provide express permission for the School to communicate directly with the authorized health care provider, as may be necessary, regarding the authorized health care provider's written statement.

In the cases of self-administration of asthma medication or prescription auto-injectable epinephrine, the School must also receive a confirmation from the authorized health care provider that the student is able to self-administer the medication and a written statement from the parent/guardian consenting to the student's self-administration and releasing the School and its personnel from civil liability if the self-administering student suffers an adverse reaction by self-administering his/her medication.

New statements by the parent/guardian and the authorized health care provider shall be required annually and whenever there is a change in the student's authorized health care provider, or a change in the medication, dosage, method by which the medication is required to be taken or date(s), or time(s) the medication is required to be taken. If there is not a current written statement by the student's parents or guardian and authorized health care provider, the School may not administer or assist in

administration of medication. The School will provide each parent with a reminder at the beginning of each school year that they are required to provide the proper written statements.

Parent(s)/guardian(s) of students requiring administration of medication or assistance with administration of medication shall personally deliver (or, if age appropriate, have the student deliver) the medication for administration to the School nurse or their designee.

Termination of Consent: Parent(s)/guardian(s) of students who have previously provided consent for the School to administer medication or assist a student with the administration of medication may terminate consent by providing the School with a signed written withdrawal of consent on a form obtained from the office of the School Director.

Illness and Accidents at School

If a student becomes ill or has an accident at school, efforts will be made to contact parents, guardians, or the emergency number(s) listed on the student's registration card.

Routine Screening

According to appropriate grade level schedules, all children will receive screenings for vision, hearing, dental, and speech and language skills. You have the right to refuse these services for your child. Unless you notify the office in writing, your child will be screened, at no expense to you.

Availability of Pupil Mental Health Services, AB 2022

California Education Code Section 48980 requires that you are notified in writing on how to initiate access to available pupil mental health services on campus or in the community, or both. AB2022 law requires schools to provide mental health services information at least twice a year by at least two different methods. The law is intended to help bridge the gap between the need for pupil mental health services and pupils' lack of awareness of the available mental health resources, especially amongst youth in poverty or with non-English speaking parents. There are at least two ways to receive mental health services in Shasta County for our students and families: 1. Shasta County Health & Human Services Agency, https://www.co.shasta.ca.us/index/hhsa_index.aspx which provides a full spectrum of supports. Their phone numbers for immediate help are: 24-hr mental health 530-225-5252 or 888-385-5201; Suicide Help 800-273-TALK (8255). 2. RSA has supports through our Dean of Students and School Counselor. Students or parents may request mental health supports through the front office, notifying their classroom teacher, emailing Mrs. Wahl cwahl@rsarts.org or Mrs. Percia (School Counselor) cpercia@rsarts.org.

Guidelines for the First Days

The First Day

On the first day of school students will go directly to their classrooms to meet their teacher. Every day thereafter, your child will begin their day on the playground. Once the whistle is blown, students meet their teacher in a designated area on playground outside their classroom door. Middle School students or those housed on the second floor, will meet their teachers in the classroom after the first bell. We ask that you say good bye to your child by the time they enter the door of their classroom. We know this may be difficult for you, but it is very important that you let them walk in on their own.

Classroom Supplies

Please see your child's teacher's website for a detailed supply list. If you are unable to bring the supplies to the before school meet and greet, then you may drop off the bag of supplies to the spot that has been designated by your child's teacher for supplies. For some classes, please do not put your child's name or initials on any of these items as we share them throughout the year.

Guidelines for the First Weeks

Visitors and Volunteers

We love to have visitors and parent volunteers in our classrooms; however, we ask you to wait three weeks so that we can have everything in order and the kids can become accustomed to their daily routine. This will give them the time and space that they need to make the room their own. It will also give teachers the opportunity to organize their volunteer lists. As a bonus, you will have attended Back to School night which is very informative and helpful when logging in volunteer hours!

Lunch/Snack

We do our best to educate and encourage your child to make healthy choices. Please send nutritious food with your child for lunch and snack. Snack ideas include: fruit, crackers, cheese, yogurt, nuts, etc. PLEASE DO NOT SEND SODA, CANDY, GUM, OR CHOCOLATE. Because of possible food allergies among our student body, sharing food is not allowed at school.

School lunches can be purchased for \$3.00 and milk for 25¢. Free and reduced lunches are also available. Students place their lunch order daily with their teacher, as the food is made off campus and transported to our site. Money must be available in the student account prior to selection that day. Families may prepay by writing a check to *ESD Food Service*, and sending to the school with your child. Current lunch menus are posted on the RSA website.

RSA serves healthy lunches prepared by the Healthy Lunch Program supported by Enterprise School District (ESD). Healthy foods come from whole foods, which are minimally processed and derive their nutrients from the soil. Whole foods are not "enriched" or contain preservatives or artificial colors. The Healthy Lunch Program/ESD produces lunches based upon the 2005 Dietary Guidelines for Americans published by the USDA and the Department of Health and Human Services. Lunches are made daily by our chef from fresh, whole foods, packaged in reusable containers, and delivered to our schools.

This school is an equal opportunity provider. In accordance with federal law and United States Department of Agriculture (USDA) policy, this institution is prohibited from discrimination against any student or employee based on actual or perceived characteristics of nationality, race, ethnicity, religion, sex, gender, ethnic group identification, age, national origin, ancestry, genetic characteristics, mental or physical disability, marital status, sexual orientation, gender identity, gender expression or association with a person or group with one or more of these actual or perceived characteristics or other category protected by law.

Respect and Behavioral Expectations

Redding School of the Arts maintains high behavioral standards based on the six pillars of character: trustworthiness, respect, responsibility, fairness, caring and citizenship. Students are expected to exhibit behaviors reflective of these six tenets in all school-related facilities and activities. RSA has adopted and will implement a school-wide behavior management plan. Details of our behavior management plan will be distributed by your student's teacher and/or are located on the RSA website. If appropriate behavior expectations are not met, a Student Study Team (SST) meeting with the parent/guardian and the administration may be held to discuss discipline problems. Our behavioral goals can best be accomplished when we work together: students, staff and parents.

2. "Hands Off" policy; keep your hands, feet and body to yourself at all times.

Closed Campus and Leaving School Grounds

1. RSA campus is a closed campus. This means that students may not leave the grounds at any time during the school day without permission from the office.
2. A parent or other adult, designated by the parent, must sign the student out in the office. Students will **only** be dismissed from class after the office contacts the teacher.
3. During school hours or when participating in activities, students are to remain on campus, and under the supervision of Redding School of the Arts staff. This includes after school RSA activities.

4. All visitors, parents or other adults must sign in at the office during school hours of 7:15 – 4:00.
5. During school hours the campus and playground is not available for public use, i.e. 7:15 – 6:15 unless there has been prior authorization through facility use form.

RSA personnel will release children only to parents, guardians, persons listed on the emergency/health forms, or those authorized for carpooling purposes. Parent(s)/guardian(s) must provide the school with documents about restraining orders or custody limitations. Notify your child's teacher if there is any concern that an individual with restricted access to the child might attempt to contact or collect the child from school.

If you are in a carpool, please write a note letting the office know which of your children are in the carpool and which adults are driving. If your child is going with someone else after school, please send a note to your child's teacher. Please make these arrangements before school as we will not interrupt instruction to deliver messages to the classroom. Students will be notified of changes during their designated break times. Students who ride a bicycle or walk to school do so at their own risk. Written permission is required for students to ride bicycles or walk home from school. The school does not provide crossing guards beyond the front of the school. Students must use designated crosswalks/bike lanes for crossing the street.

Classroom Celebrations and Parties

Birthdays and Parties: Birthdays are special occasions for young children. If your child wishes, treats may be brought for the whole class on his/her birthday. Please notify the teacher a day or two in advance so that teachers can plan for treats during recess time. RSA strongly encourages a healthy treat such as muffins and or fresh fruit/ vegetables instead of cupcakes, cookies or candy.

If you are planning a party for your child outside of school, please either invite the whole class or mail the invitations so that feelings will not be hurt.

Class celebrations: At RSA our children are learning to explore and enjoy the process of discovery. One of the ways we help them do this is by observing various milestones throughout the year by having a celebration. Our celebrations revolve around our social studies themes, math, science, and other academic subjects, **not around holidays**. Celebrations are left to the discretion of the classroom teacher. If you have any questions, please ask your child's teacher.

Telephone Usage

In general, school telephones are for business use by the staff. Only urgent messages will be delivered to your child. Students may use the phone at school when directed by school staff or in an emergency.

Cellphones/Electronic Devices/Toys

Electronic devices, toys, trading cards, etc. must not be brought to school. There is no reason for them to be on campus and therefore must remain at home. These items will be confiscated from students and won't be returned until a parent comes to school office to pick up the item.

Although students are permitted to bring cell phones to school, they will be confiscated if a student takes it out of their backpack during the school day, if the phone rings, or if it is used by the student during the school day.

Students in possession of any toy that resembles a weapon will be disciplined. Depending on the item in question, this could include suspension or other severe discipline from school.

Electronic devices (i.e., IPODS) are very easy to steal and virtually impossible to prove ownership. Leave these valuable items at home where they belong. The school is not responsible for lost, damaged, or stolen items.

As a general rule, cell phones are not to be seen or heard during the school day. The school day is defined as beginning upon the students' arrival on campus and ending at 3:00 pm. Cell phones that are seen or heard during the school day will be taken and returned to the parent. Repeated offenses will result in the student being prohibited from possessing the cell phone on campus. Using cell phones to take pictures will not be allowed at any time. After 3:00 pm, students will be allowed to use their cell phones for legitimate and appropriate communication purposes only.

In emergency situations, such as an unscheduled school closing, the administration will announce for teachers to allow students to use their cell phones to contact their parents.

Label Belongings

Please put your child's name on the inside of ALL personal belongings: coats, sweaters, and the outsides of lunch boxes, water bottles, etc. Efforts are made to return labeled items to students. All unclaimed items will be donated to charity on a regular basis.

Money Sent to School

On occasion it will be necessary for your child to bring money to school. Always send money in a sealed envelope with the following information on it:

1. Your child's first/last name
2. Your child's homeroom teacher
3. Amount of money
4. Purpose of the money

Toys/Sharing

Students are not to bring toys of any kind with them to school unless they are bringing them for a scheduled share time. We provide students with community games and equipment for recess and P.E.

When an object is brought for sharing, the student will keep their object/toy in a designated area (cubby, desk, etc.) until it is their share time and then promptly return it to the designated area once their turn is over. They may not take their object/toy out to recess.

When a child wants to bring a pet to share, arrangements need to be made with the teacher a week in advance. It is at the discretion of the teacher whether a pet will be allowed as the child's share. Pets should never be brought into the school building as some people are severely allergic to pet dander.

Home School

RSA believes that Home Study/Independent Study is an effective tool of instruction. We meet this philosophy by building a strong home and school partnership that will help our students achieve in a safe and positive learning environment. As the California Department of Education states, Home Study is a voluntary instructional strategy that responds to an individual's needs and styles of learning. This course of study will be available to grade T/K through eighth grade with the addition of high school in the future and will respond to the student's specific educational needs, interest, aptitudes, and abilities within the confines of the school policies and procedures. Programs are offered for immunized and non-immunized students.

Attendance

The Governing Board believes that excessive absenteeism, whether caused by excused or unexcused absences, may be an early warning sign of poor academic achievement and may put students at risk of dropping out of school. The Board desires to ensure that all students attend school in accordance with the state's compulsory education law and take full advantage of educational opportunities provided by the school.

The Governing Board believes that regular attendance plays an important role in student

achievement. The Board shall work with parents/guardians and students to ensure their compliance with all state attendance laws and may use appropriate legal means to correct problems of chronic absence or truancy

Excused Absences for Classroom Based Attendance

Absence from school shall be excused only for health reasons, family emergencies and justifiable personal reasons, as permitted by law or Board policy (Education Code 46010, 48216, 48205) Student absence for religious instruction or participation in religious exercise away from school property may be considered excused subject to administrative regulations and law. (Ed. Code 46014)

Insofar as class participation is an integral part of students' learning experiences, parents/guardians and students shall be encouraged to schedule medical appointments during non-school hours.

Students shall not be absent from school without their parents/guardians' knowledge or consent except in cases of medical emergency or as authorized pursuant to Education Code 46010.1, for a confidential medical appointment.

Attendance is taken every day and reviewed monthly. Absences are excused in cases of illness, family emergency or other state approved reasons as stated in the California Education Code.

Verifications:

1. Verification of absences are to be made by telephone. The parent or guardian must call the school office at 247-6933 within 72 hours for an absence to be marked as excused. Or
2. A note from the parent or guardian indicating the date and reason for absence may be submitted at the front desk or emailed to luhleman@rsarts.org.

Unexcused Absences/ Truancy and/or Chronic Absenteeism:

Truancy (unexcused absences or tardy 30 minutes or greater) and/or Chronic Absenteeism (A student is chronically absent from school when he or she has missed 10 percent or more of the days he or she has been enrolled in school- either excused or unexcused) is detrimental to your student's educational progress. There is no adequate way for students to recover missed teacher explanations and instruction, or class discussions. If absences and/or tardies become excessive, a Student Study Team meeting will be scheduled to discuss resolutions to attendance issues and/or the return of the student to their district of residence.

It is the policy of Redding School of the Arts that students attend school every day and be punctual. Students shall be classified as truant if absent from school without a valid excuse three full days in one school year or tardy or absent for more than any 30 minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof. Such students shall be reported to the Director or designee. Any student who has once been reported as a truant shall again be reported to the Director or designee as a truant if he/she is absent from school without valid excuse one or more days or is tardy 30 or more minutes on one or more additional days. (Education Code 48261) Upon his/her third truancy within the same school year, a student shall be classified as a habitual truant. (Education Code 48263, 48264.5) Students who are habitual truants, or habitually insubordinate or disorderly during attendance at school may be referred to their district of residence, and required to attend an attendance review board, a truancy mediation program established by their district of residence's attorney or the probation officer, or a comparable program deemed acceptable by the Director or designee.

Consequences/Procedures for Tardies/Absences:

1. Punctuality is valued at RSA. After school detentions will be assigned to students in fourth through eighth grade who have five or more tardies of any length of time. Multiple lunch recess detentions may be substituted in place of an after school detention at Administration's discretion. For more information on detention procedures check with the Student Information System Registrar.

2. If a student arrives at or after the 8:00 a.m. bell, they must check in with the office for a tardy slip before going to class.
3. **School Start Times: School begins promptly at 8:00 a.m.** Early drop off is available at 7:15 a.m. The first bell rings at 7:55 a.m. and students are considered tardy if they are not inside their classroom at 8:00 a.m. Students who are tardy disrupt and deter the education of others in the class.
4. The Director, or designee, shall implement positive steps to reduce truancy. Students who are habitual truants or habitually insubordinate or disorderly during attendance at school may be referred to the appropriate law enforcement agency.
5. When the student's attendance problems cannot be resolved or the student and parent/guardian have failed to respond to directives to correct the problem, a student who has been classified as truant, will be returned to their district of residence, where they may be referred to the district attorney or probation officer for truancy mediation. Further, the School Attendance Review Board (SARB) or probation officer may request a juvenile court petition on behalf of the student.

Potential Disciplinary Actions

This Suspension and Expulsion Policy (the “Policy”) for RSA has been established in order to promote learning and protect the safety and well-being of all students. When the Policy is violated, it may be necessary to suspend or expel a student from regular classroom instruction. Staff shall enforce disciplinary rules and procedures fairly and consistently amongst all students. The Policy will be printed and distributed as part of the Student Handbook and will clearly describe discipline expectations.

Discipline includes, but is not limited to, advising and counseling students, conferring with parents/guardians, detention during and after school hours, community service on or off campus, and the use of alternative educational environments, suspension and expulsion. Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student. Corporal punishment does not include an employee’s use of reasonable force necessary to protect the employee, students, staff or other persons or to prevent damage to school property.

Disciplinary action taken by school officials is a result of the action already taken by the student. A student is responsible for his/her behavior. RSA favors using strategies like, restorative justice focused on working with students (e.g., the victims and the accused) to come to a solution, rather than simply handing down punishment. In addition, we approach discipline schoolwide as opportunities for students to take accountability for their actions, think about their hurtful behaviors and utilize age appropriate and circumstance based consequences that leads to a satisfactory resolution. However, the following chart illustrates potential disciplinary actions the School may issue for certain offenses in order to maintain a safe learning environment for the students of RSA:

Please note the chart above is meant to provide examples of potential discipline, RSA may use other forms of discipline consistent with school policy and applicable law.

In accordance with applicable law, a student may be expelled or dismissed from RSA and returned to his/her school district of residence for failure to comply with School policies.

Technology Use Policy

Redding School of the Arts provides students, volunteers and staff access to learning opportunities using computers, technology and telecommunication resources. The purpose of the RSA technology system is to support educational activities and communications. Your use of these resources must be consistent with the educational goals of RSA. The school reserves the right to prohibit students who violate the technology use policy from using technology at school. RSA will provide internet safety to all students.

Acceptable Use

Students, volunteers and staff are expected to understand and practice ethical use of RSA technology resources. The following items are consistent with ethical technology use:

- Be polite and respectful;
- Use appropriate language;
- Do not disrupt others;
- Do not share your personal information;
- Do not share the personal information of others;
- Follow the directions of teachers and school staff;
- Use technology only for school-related education and research.

RSA has the authority to determine appropriate use and may deny, revoke, or suspend a user account based upon its determination of inappropriate use. Furthermore, academic or legal disciplinary actions may be taken as needed.

Prohibited Activities

The following activities are strictly forbidden on any RSA computer or technology resource:

- Performing any action that is against the law;
- Downloading, copying, or sharing copyrighted materials without the specific written permission of the copyright owner;
- Harassment, intimidation or the persistent annoyance of another person includes but is not limited to the sending of unwanted email, text, or other communications;

- Use of the network to access inappropriate material or unsafe files;
- Establishing network connections to live communications which includes text, voice or video unless specifically authorized by a teacher or staff member.
- Vandalizing or misuse of equipment that cause physical damages.

Monitoring and Security

RSA reserves the right to inspect any files stored in private areas of the network. No user should have any expectation of privacy when using RSA resources. Any attempt to bypass or evade any technology security or monitoring system is grounds for disciplinary action.

Security on the RSA technology system is a high priority, and as such, the rules below must be followed:

- Never share your user account information, including your username or password, with anyone.
- Do not attempt to log on to any system using a user account other than your own.
- Notify a teacher or staff member if you suspect that a security problem exists. Do not demonstrate security problems to other users.
- Students and volunteers may not enable any password that prevents teachers and staff members from using a technology. This includes, but is not limited to, screensaver and hardware passwords.
- Teachers and staff members may only enable system level passwords as authorized by the IT department. Furthermore, the passwords used must be documented by the IT department.
- Student and volunteer-owned technology and electronic devices are to be used only with teacher or staff permission. These devices are subject to all aspects of this policy.

Technology and Software

RSA technology will be installed and maintained only by authorized staff. Only the IT staff or the principal in cooperation with IT staff will be allowed to authorize installation or maintenance of RSA technology and software.

- Students and volunteers may not install any software on RSA technology or systems.
- Staff members who request that non-standard software be installed on their technology must certify that they are using the software according to its license and must register the license information with the IT department.

Controversial Material

It is against RSA policies to use RSA resources to access inappropriate or offensive material. In an effort to comply with the Children's Internet Protection Act, RSA uses blocking and filtering services which will make it more difficult for students to access inappropriate sites on the Internet. However, students and parents should realize that it would be impossible to find and block all objectionable content on the Internet. Therefore, if a student encounters material inappropriate to an educational environment they must notify a teacher or staff member immediately.

Parent Liability

Parents are liable for a maximum of ten thousand dollars (\$10,000) for any willful misconduct of their minor children which results in injury to another student or school employee or damage to school or personal property (E.C. 48904).

Such behavior includes: direct physical contact, such as hitting or shoving; verbal assaults, such as teasing or name-calling; use of technology to and social isolation or manipulation.

RSA has the authority to determine appropriate use and may deny, revoke, or suspend a user account based upon its determination of inappropriate use. Vandalism and harassment may result in cancellation of user privileges, fees to replace or repair equipment and possible criminal charges. Furthermore, academic or legal disciplinary actions may be taken as needed.

Library Usage

Students are asked to follow all Library Rules and adhere to Library behavior expectations:

- Use quiet/inside voices when in the library;
- Students are responsible for keeping track of their library books.
- Students may check out one book at a time, with the due date being two weeks after the check out date.
- Student should use a book marker when looking for a book. This helps keep the books in order.

Parents may come in during your child's library time, or contact the librarian for an available time. Also, you can send in a note with the title you're interested in checking out.

The Library Committee has attempted to remove materials that are inappropriate for elementary and middle school children. We recognize that there is a wide diversity of opinions regarding what is appropriate in our community. Some historical art materials contain nudes from famous artists. Please discuss with your child your desire for your child viewing these reference materials. A Library Committee Concern Form may be submitted for review if a family or individual finds any materials to be questionable. Forms are located in the library. If you are concerned about the content in the book(s)

your child is reading please talk to them about avoiding books with the "Mature Reader Only" sticker on the front cover.

Homework

Students will be assigned homework on a regular basis. The daily time depends on many things, including the student's work habits. Nightly work should take 10 minutes per grade level to complete. For instance, first grade would be up to 20 minutes. Third grade would be up to 40 minutes, and this would continue up to the 8th grade at 80 minutes. Homework's purpose is to reinforce what is taught at school, to complete unfinished work, and can include long term and short term projects. In addition, students will be expected to read independently or have parents read to them for approximately 20 minutes daily. Projects completed in 5th-8th grade may require time on the weekend.

The following amounts of time are an average. Parents should anticipate an additional 15 minutes if your child is in the Mandarin Immersion program:

Kindergarten	10 - 15 minutes four days a week
First	15 - 20 minutes four days a week
Second	20 - 30 minutes four days a week
Third	30 - 40 minutes four days a week
Fourth	40 - 50 minutes four days a week
Fifth	50 - 60 minutes four days a week
Sixth-Eighth	60 - 80 minutes four days a week

Student Homework Pledge

- Use class time wisely to reduce the amount of homework;
- Listen carefully to all directions and explanations about homework;
- Ask questions if the assignment is not clear;
- Keep a record of all assignments, including due dates and other specific requirements;
- Have a definite time and place for study, free from interruptions, and stocked with working materials;
- Budget time wisely and plan time for completion of long term assignments;
- Hand in on time, neat, accurate, and meaningful assignments;
- Make use of such aids as libraries, dictionaries, maps, general reference materials, and the questioning of people who are authorities or are experienced in various fields, as appropriate;
- Strive for the best results, rather than the minimum which will be acceptable;
- Take the initiative in making up work missed for any reason;
- Study independently, unless a group project has been assigned;
- Do not copy other people's work. The student will use his/her own words in homework assignments; plagiarism is prohibited.
- Contact another student or the teacher if, after reasonable effort, the assignment cannot be done. If this is not possible, have the parent write a note of explanation on the assignment. Teachers' discretion will be used.

Parent/Guardian Homework Pledge

- Provide a suitable place for study;

Staff Homework Pledge

- Assign homework that is meaningful and useful to individuals;
- Provide appropriate and timely response to all homework assignments;
- Provide a balance between long-range and short-term assignments;

- Monitor long-term assignments in order to avoid last minute student efforts;
- Give clear, concise directions; and allow time for student questions;
- Consider availability of materials; provide legible worksheets or assignment criteria;
- Monitor the effectiveness of homework as reflected in student performance;
- Coordinate long term assignments with other departments for school calendar;
- If assignments are given over the weekend, they should be no longer than a daily assignment;
- Whenever possible, assignments will not be given the day prior to school break periods that would require completion of an assignment only during the school break.

Short Term Independent Study

An Independent Study (IS) Program is available through the office for students who know in advance that they will be away from school for three (3) or more days. An Independent Study packet does not adequately replace the direct instruction and participation of the classroom experience. Families are highly encouraged to request Independent Studies for special circumstances only. Contact must be made in person at the front office by noon the appropriate number of days in advance. Independent studies will not be issued the "day of". The teacher preparation time for gathering assignments will be equal to how many days the student will be absent. For example, if a student will be absent three (3) school days, the parent must contact in person the office by noon three (3) school days or more in advance of the requested absence dates to allow each teacher the same amount of time to plan the assignments. All school work is to be submitted upon returning from the IS. Missed, incomplete or lost work will result in student's absence being marked as unexcused, and will be subject to attendance policy requirements and/or truancy procedures. Independent Studies will not be issued for dates beyond May 1st. All IS packets issued before May 1st must be turned in by May 8th. All work not turned in by this date will result in student's attendance record marked as unexcused absences.

RSA administration retains the right to deny IS requests based on individual pupil circumstances. For example, IS requests that include absent days occurring within the appointed state testing window or if there are multiple prior absences (excused or unexcused) that are impeding student educational progress. Student absences during a denied IS request will be marked as unexcused and subject to truancy procedures.

Outside Interest Participation

As per the Parent/Student Agreement and in keeping with the vision of this school to provide academic instruction to students interested in the arts, students 4th grade and older must be pursuing their particular interest in visual or performing arts outside of their academic school day with a qualified instructor (not simply parent or grandparent). Verification of Participation will be required two times during the school year.

Students 3rd grade and younger are required to be involved periodically in an area of the visual and performing arts throughout the school year and documented at least once during the year; Those who do not pursue an outside interest in the arts during the fall semester must do so in the spring. For primary grades (K – 3) Girl Scouts or Boy Scouts (or similar club) is allowable due to the mix of activities that include periodic experiences related to the visual or performing arts.

The National Endowment for the Arts defines arts to encompass music, opera, dance, drums, folk art, creative writing, architecture, design and graphic arts, painting, sculpture, photography, and the arts. Student, parent, and instructor will sign and return the Outside Interest Verification form in September and January. Each child attending Redding School of the Arts must have an Outside Interest Verification form on file in the office. School Administration may provide scholarships for outside interest upon request.. Students 4th grade and older who do not pursue an outside interest will be dismissed at the end of the school year.

Elective and Exploration Wheel Participation Guide

The Elective and Exploration Wheel program is an enrichment opportunity for students in first through eighth grade, who are successful in the regular academic program. Students eligible for participation will experience a variety of educational classes, such as physical education, health and nutrition or visual and performing art courses that are new and/or different from the VAPA curricula offered as part of the regular program. Students develop further abilities through instruction by community experts or

credentialed teachers. Grades one through three will participate in the Exploration Wheel as a class and grades four through eight will select their elective.

Some classes require a prerequisite for experience or abilities and others carry a fee or special equipment not covered by the school. Still others may require extra rehearsal or performance commitment. In general, classes are offered on the basis of the enrollment of 15 or more students.

Student Expectations

To maximize learning within the elective program, the following expectations must be met:

- Maintain a passing grade in all classes, no Fs.
- Maintain school wide citizenship standards as outlined in the Code of Conduct.
- Active participation in afterschool and/or evening performances expected (may affect final grade).

No changes in the elective schedule during the first week of the new trimester. Students will be allowed to make changes during the second week only (with written permission from the parent).

Outside Performance, Competitions or School Sponsored Events

Outside performances, competitive sports, and other forms of competition can enhance charter school spirit and student morale and impact positively on students' social growth, development and physical well-being provided the programs are carefully planned. These activities include, but are not limited to, music, drama and dance performances, Odyssey of the Mind, Science Olympiad, Academic challenges and Cross Country.

These activities do not take precedence over academics but rather supplement academic study. Therefore, outside performances or competitions must not conflict with or jeopardize the academic program of the charter school. To participate in a school sponsored performance or competition students must maintain **passing grades. Outside performances or competitions must not exploit the students participating in such activities and must always be conducted in a manner that promotes students' health and welfare. Absence, full or partial day (50% of the day), from school on the day of a scheduled extra-curricular activity (performance, rehearsals, socials and/or contest) shall result in denial of the privilege to participate. Exceptions shall be granted by the school administration on a case-by-case basis. Participation in Saturday or holiday events will be affected by attendance the last school day preceding the event.

The goal of outside performances or competitions is the development of visual and performing art skills, motor skills, the maintenance of physical fitness, development of self-awareness and socially desirable behavior, development of recreation skills and positive character traits such as discipline, commitment, sportsmanship and co-operation.

Every student, coach, and advisor is a representative of the charter school. Therefore, they must be exemplary role models. All students participating in outside performances must maintain a good citizenship record and passing grades in all academic classes.

** Passing grade (D or better) in all classes and minimum GPA of 2.0

** Compliance with the Family Handbook

All students participating in interscholastic sports must first obtain a medical clearance. Any injured students must receive medical clearance prior to again participating in any interscholastic sports. All participating students are required to wear appropriate safety equipment in the manner approved by the manufacturer.

Coaches, advisors, and full-time members of the charter school staff, will be knowledgeable and competent in first-aid, CPR and emergency procedures, and coaching techniques as it relates to performance or sports participation. Coaches or advisors will ensure that training/practice and competition will not over-tax the physical capabilities of the participating students.

Report Cards

A report card will be sent home each trimester for our K-3 grade students. Please return the envelope the report card comes home in the following week signed by the parent/guardian. K – 3rd student report cards will use numbers that are *not* the same as grades. Grades show effort and ability. These numbers, defined at the top of the report card, indicate progress toward mastery of a skill. At the beginning of the year, a “1” may be perfectly respectable because the concept may have been recently introduced or a child may not be developmentally ready to grasp some of the concepts. Report cards are created to aid parents/guardians in knowing where a student is in his/her journey toward developing the skills needed for the upcoming grade. Grades 4 - 8 report cards will be made available to view in Aeries Parent Portal. Paper copies may be requested from the front office. 4th-8th grades students receive the traditional format of weighted letter grades. Parents may monitor their student's progress using Aeries Gradebook. Parents will be provided information about Gradebook during back to school night or by contacting the Attendance Administrator. See Assessment and Evaluation Policy for further details.

Honor Roll Policy

The Governing Board Approved Honor Roll Policy of Redding School of the Arts criteria is defined as:

- Students sixth through eighth grade;
- Recognized as having earned a minimum GPA of 3.5;
- C's or better at semester grade reporting.

Administrative Honor Roll Policy (Director's List)

The Administrative Honor Roll Policy criterion is defined as:

- Students sixth through eighth grade;
- Recognized as having earned a GPA of 3.85 or better.

In an effort to more accurately reflect instructional time and grade value, students sixth through eighth grade will receive a weighted GPA based on the periods attended during the week. (Reference: student assessment policy) Students qualifying for Administrative Honor Roll for all three trimesters will be eligible to participate in an end of the year reward/field trip.

8th Grade Year

The 8th grade year is an exciting one with many great activities. Throughout the year we have various fundraising events to raise money for the Toyon Bay Oceanography trip, Promotion ceremony and 8th grade picnic. Some activities may include: sale of Ducky Derby tickets, refreshments at events, etc. Staff and parents will organize the promotion party on the afternoon of the last day of school.

Planning for future success is also part of the 8th grade year. When possible, students also take part in Career Day at Shasta College/Simpson University. We make efforts to take advantage of any last minute activities that we feel will enhance the 8th grade experience. Parents are kept informed of the various happenings through teacher web sites or messages. Financial scholarships are available for students if needed, and this information is kept confidential. Students wishing to participate in the 8th grade promotion ceremony must comply with the 8th grade promotion policy and satisfy the 8th grade contract.

8th Grade Contract: Eighth grade students and their parents will be asked to sign the 8th Grade Contract, which outlines the minimum academic, attendance and behavioral requirements to participate in the many great activities afforded to our 8th grade class. The contract has been designed to provide clear student expectations for finishing strong here at Redding School of the Arts.

Safe School Policy

In order to maintain a safe learning environment for the students of Redding School of the Arts,

- Parents, volunteers, and visitors must report to the RSA office and obtain an RSA badge which will be worn at all times when on campus.
- Badges are used to help teachers and students recognize visitors and volunteers in the school.
- Visitors and volunteers must return to the office to sign out when leaving campus. These procedures are designed to protect our children from unauthorized individuals and to identify and locate individuals on campus in the case of an emergency.
- Visitors and volunteers must treat all students and staff members with respect. Any parent compromising a student or staff member's safe learning environment will receive a written warning and be required to leave the campus immediately and/or their child(ren) will be returned to their district of residence.

Security

RSA has authorized the use of security cameras as part of its crime prevention/safety program. Said cameras are intended to promote public safety, protect personnel, students and RSA's Facility. As RSA respects the privacy of the entire RSA community and the students' need to feel safe and secure, this policy has been developed to meet the requirements set forth by Poms & Associates Insurance Brokers, Inc., RSA's primary insurance company with respect to loss control and safety. RSA shall take all necessary action to ensure and oversee the use of RSA-authorized security cameras onsite while mandating cameras are used judiciously.

Parent General Information & Guidelines

Volunteer Policy, Procedures, and Parent/Guardian Responsibilities

Parent/guardian participation is essential to the success of Redding School of the Arts because children learn more when their parent/guardian is involved in their education. As documentation for the Local Control Accountability Plan (LCAP) and potential educational grants, parents/guardians will be asked to serve on committees, share expertise in specific areas of need, help with outreach, and/or assist in classes. Parents/guardians are encouraged to support the work of the school by volunteering 40 hours per household per year and to ensure that their child(ren) are pursuing the visual and performing arts in their area of interest outside of the school day. See the Volunteer Policy and Volunteer Handbook and Application for details.

Volunteer Confidentiality Agreement

In accordance with federal law, all school volunteers are expected to maintain confidentiality while working at the school. All things that are seen and heard at school about employee's or children and their families should be considered privileged/confidential information. Trust must be established and maintained in order for our volunteer program to be successful. Volunteers can strengthen the bond between themselves and the school by following these guidelines:

- Treat all students and employee information as personal and confidential regardless of the source
- Communicate relevant information about students only to the respective classroom teacher or principal/school leader
- Seek clarification of unusual situations that occur in the school from the person(s) involved and avoid discussing such matters with others unless so directed by the assigned teacher or principal/school leader
- Retain a sense of perspective regarding comments heard and actions observed
- Understand that not all information can and will be shared with volunteers, due to legal considerations including state and federal law
- Deal impartially with students regardless of background, intelligence, physical or emotional maturity
- Do not discuss student progress or behavior with the parent. All relevant information should be referred to the teacher or the principal. Direct all inquiries about students to the professional staff
- Speak constructively of all staff; however, report difficulties involving the welfare of students or the school to the principal
- Do not discuss confidential information with anyone. This information includes, but is not limited to:
 - Scholastic and health records
 - Test scores and grades
 - Discipline and classroom behavior
 - Character traits of children
 - Supports and services a student may receive
- All volunteers chaperoning overnight trips are required to sign a statement of confidentiality

Discipline: Discipline of students is solely the responsibility of the teacher in charge. Volunteers should not under any circumstances discipline students. Should students misbehave in your presence, you should report this immediately to the teacher in charge. The teacher will then determine the necessary course of action. Also note that we expect students to treat the volunteers with the same level of respect given to other school personnel. If you feel that students are not being respectful towards you, do not hesitate to discuss the matter with the teacher or administration.

While all student information should be treated confidentially, and sharing of student information with others may be a violation of the law, do not make a promise to a student that you will keep confidential information that pertains to the welfare of the student(s). Although the student is free to share confidential information with you, there are certain things you are required by law to tell the principal or school administrator. Any personal information learned from a student, should be held in the strictest confidence except:

- If a student confides in you that he or she is a victim of sexual, emotional, chemical or physical abuse (including bullying and cyber bullying).
- If a student confides that he or she is involved in any illegal activity
- If a student confides that he or she is considering homicide or suicide

Should one of these exceptions arise, you are required by law to immediately notify the school principal or administrator. Remember, the information is extremely personal and capable of damaging lives, so do not share it with anyone (including other school staff members) except the principal or school administrator. Any needs of students communicated to the volunteer should be referred to the appropriate staff person.

Parent Code of Conduct:

RSA has adopted the six pillars of character as part of our positive school climate plan. A parent code of conduct based on these pillars of character outlines our expectations. A copy is attached for your review at the front of this document.

Parent Liability

Parents are liable for a maximum of ten thousand (\$10,000) for any willful misconduct of their minor children which results in injury to another student or school employee, damage to school or personal property (E.C. 48904)

Parent-Teacher or Student Directed Conferences

In the fall, individual conferences are scheduled to discuss your child's progress. To assure your child's success at school, it is imperative that parents and teachers meet in person at these conferences. In situations of shared custody, it is important that both parents attend conferences together if at all possible. Throughout the year, parents and teachers are encouraged to discuss any matters of concern as soon as they arise. You may e-mail the teacher or send a note to class to schedule an appointment. Spontaneous meetings in the hallway or during class times are usually unsatisfactory tools for discussing a child's progress due to safety issues, confidentiality, and a lack of proper attention that is deserved for a conference.

In general parent/guardian responsibilities include (but are not limited to) the following:

- to participate in the Redding School of the Arts community whose mission is to be an active participant in their child's education;
- to assess, at all times, whether this program is the right program for his/her child;
- to give feedback about their child to the teacher to help improve the classroom, including responding to the annual feedback survey;
- to be responsible for transporting their child to and from Redding School of the Arts;
- to use the proper protocols when problems arise between parent and staff. Parents are encouraged to take their concerns to the staff person most directly involved; and
- to not speak when speaking about other people's children in front of their own children or with others who have no need to know. This is an issue of confidentiality.

Volunteer Log

Volunteer hours will be calculated by household and earned by adult family members or their designee. The timeline for completion of volunteer logs is 20 hours by winter break, 30 hours by March 1st, and 40 hours by May 30th.

1. Families who have not submitted their volunteer log by the winter break deadline will receive a reminder letter notifying the family of the importance of submitting their volunteer hours so that the school can maintain accurate data along with submission timelines.

2. March 1 is the second submission date. At this time families are again asked to be asked to submit updated volunteer logs.

3. The final submission request is May 30th. Volunteer hours will be totaled after June 1st.

This data will be used for reporting to CA state Dept. of Education and the LEA of parent participation and involvement with the school per the charter, LCAP and Local Control Funding Formula (LCFF).

When to Sign Up to Volunteer

Sign up for volunteering can happen in many ways. One way is to make arrangements with the classroom teacher to see what help they need. You can also let us know if there is a specific time/day you are able to come in. There are many ways to help even if you cannot come into the classroom during school hours- you can make copies, do prep work, or work on school fundraisers or events. Watch for emails or the monthly news for these opportunities for signup genius or event coordinators. We hope you will make time for the school, as it is important to your child's success here at RSA. Questions should be directed to the office. When volunteering as a classroom driver, the driver must have an approved drivers application on file at least 48 hours prior to the trip and be transporting at least 3 children where 2 are not their own.

Volunteer Safe School Policy There are a few things we think will make your work as a volunteer in the classroom, playground or on a field trip smoother:

- When you arrive at school to volunteer, please first check in at the office (sign the volunteer log and get an RSA volunteer sticker). This is a security precaution.
- When you volunteer to help in the classroom, you are acting as an extension of the teacher. You must be available to help other children in the class (not just your child). You may want to explain this to your child before you volunteer so he/she understands.
- You should be prepared to help the children follow classroom rules and discipline policies (the teacher will go over these with you). Please always feel free to alert the teacher should difficulty arise at an appropriate time.
- When you commit to a specific time/day to volunteer and you cannot make it, please try to find a replacement from the class. If that fails, call the teacher at the earliest possible time so that they can plan accordingly, teachers will prepare activities, based on your promise to come in, so please try to keep that promise.
- On field trips and some theme days you will be assigned a group of students for whom you are responsible. You may not leave the field trip area (without prior notice to the teacher) or buy items for your group of children (without permission of the teacher.)
- Be aware of the discipline policies for the classroom and the playground. If a problem should arise, kindly alert the teacher, administrator or paraprofessional on duty.
- Visitors and volunteers must return to the office to sign out when leaving campus. These procedures are designed to protect our children from unauthorized individuals and to identify and locate individuals on campus in the case of an emergency.
- Visitors and volunteers must treat all students and staff members with respect. Any parent compromising a student or staff members safe learning environment will receive a written warning and be required to leave the campus immediately and/or their child(ren) will be returned to their district of residence.

Suggested Volunteer Dress Code

Parents are encouraged to follow the same dress code as students when volunteering at school. Below is a list of suggested dress code attire. Your clothes do not have to be fancy but they should be neat, clean and, appropriate for school. General guidelines for dress code are:

1. Clothing must promote modesty.
2. Undergarments must not be visible.
3. Midriffs must be covered.
4. Shoes must be worn.
5. Gang-related clothing or symbols are not allowed.
6. Clothing or accessories bearing the following messages may not be worn:
 - Obscene or profane statements or pictures.
 - Statements advocating immoral, illegal, sexual, or violent behavior.
 - Messages referring to death, violence, Satanism, racism, or sex.
 - Statements of disrespect directed against the school, law, or other reasonable authority; or negative slogans regarding school, studying, homework etc.
 - Statements advertising, promoting, or picturing alcoholic beverages, tobacco, drugs, and others.

In general no clothing that distracts or disrupts from the learning environment is allowed. Administration reserves the right to request volunteers to comply with dress code requirements

Parent/Volunteer Drivers

Because RSA relies on volunteer drivers for field trips, our insurance carrier requires drivers to have appropriate insurance and other documentation at least 48 hours in advance of the field trips. Please obtain and fill out a Driver Application Form from the school office. Also, to reduce the liability of the school and volunteers, the drivers must obtain and return to the office the following information before driving on any student field trips:

1. DMV driving record
2. Valid California driver's license

3. Current auto registration
4. Your current vehicle insurance coverage (see forms for minimum dollar coverage)

Volunteer's vehicles must have working seatbelts for each passenger in their car and sufficient tread on all four tires. If your vehicle is equipped with airbags, children under the age of 12 must sit in the back seat. Car seats laws will be enforced.

Back to School Night and Open House

Two important evening events that will help you to get to know RSA are Back to School Night held in the fall and Open House held in the spring. Back to School Night is a *parent only* evening when your child's instructor will walk you through the daily classroom schedule and inform you of other important information, such as homework, academic goals, and student behavior expectations. Open House is a family event, where you can tour your child's classroom to see what they have been learning throughout the year.

School Cancellation Policy

In the event that it becomes unsafe, school may be cancelled due to extreme weather conditions or emergencies either before school or during a school day.

Procedure:

- **Before school** parents must provide transportation of students to and from school. Therefore, when weather or emergencies happen before school, RSA will use the phone system and email to announce the school's closure. RSA will follow Columbia School District closure as announced on the radio.
- **During School**, if time and conditions permit, students will be dismissed to go home prior to the inclement weather. Parents will be notified by phone. Please make sure that your emergency cards are current for who may pick up your child(ren).

Procedure for when conditions develop with little or no warning, the following emergency actions should be followed:

Severe Weather Conditions

1. In extreme cases, students and staff should be assembled inside shelter or buildings.
2. If students are sent home, staff will call parents/emergency contact to arrange transportation and pickup time.
3. Students who are walking/biking are released upon verbal permission from their parent or emergency contact.

Fundraising

Each RSA Family agrees to support the school in its fundraising efforts. The main source of funds for the K through 8th grade RSA programs comes from the public monies generated by the attendance of enrolled children at the school on a day to day basis (ADA funds) and fundraising. Charter schools are not funded for excused absences or illnesses nor do we get additional funding for the various music and arts programs/experiences we provide. RSA's success depends on full attendance by all students and all families participating in fundraising efforts.

Fundraising is critical to the financial health of the school. Unlike other traditional public schools, RSA has full responsibility for all expenses including capital and operating costs (rent). The school's programs are not permitted to operate at a deficit. Every family must share the responsibility for fundraising. Many companies such as Cisco, Macy's, PG&E, Washington Mutual, B of A, Charles Schwab and Wells Fargo offer corporate matching funds to schools on behalf of their employees. Please check with your employer to see if they have a matching funds program.

Protocol for Handling Conflicts and Complaints

While parents are encouraged to take their concerns to the staff member most directly involved, they may at times feel uncomfortable doing so. In these cases parents are encouraged to contact the administration to help in naming their concerns and moving toward a resolution. In such cases the procedure will be as follows:

- Discussion and identification of concern;
- Investigation of concern; and
- Within 30 school days of the original complaint the administration shall respond to the parent(s)/ guardian(s) regarding the investigation and decision.

Uniform Complaint Procedures

The Governing Board recognizes that RSA is responsible for ensuring that it complies with state and federal laws and regulations governing educational programs. RSA shall investigate and seek to resolve complaints at the local level. RSA shall follow the Uniform Complaint Procedures (William Case Notice ed. Code 35186) as authorized by: CA Code of Regulations, Title 5, Sections 4600-4687.

A complaint under the Uniform Complaint Procedures (UCP) is a written and signed statement by an individual, public agency, or organization alleging a violation of federal or state laws governing educational programs, including allegations of unlawful discrimination, harassment, intimidation, bullying, and failure to comply with laws relating to pupil fees and the Local Control and Accountability Plan (LCAP). Discrimination, harassment, intimidation and bullying complaints must be filed with the local educational agency (Redding School of the Arts or county office of education) by a person harmed or by a person on behalf of others who have been subjected to discrimination. These complaints must be filed no later than six months from the date of the occurrence, or from the time the complainant first learned of the facts of the discrimination, harassment, intimidation and bullying. The LEA must protect the confidentiality of the parties and facts related to the case.

Educational programs covered by the UCP include: • Adult Education • After School Education and Safety • Agricultural Vocational Education • American Indian Education Centers and Early Childhood Education Program Assessments • Career Technical Education • Child Care and Development • Child Nutrition • Foster and Homeless Youth Services • No Child Left Behind Act (2001) programs (Titles I-VII), including improving academic achievement, compensatory education, limited English proficiency, and migrant education • Regional Occupational Centers and Programs • Special Education • State Preschool • Tobacco-Use Prevention Education.

RSA's School Authorizer, Columbia Elementary School District Board of Trustees, agrees not to intervene in the dispute without the consent of Redding School of the Arts' Governing Board unless the matter directly relates to one of the reasons specified in the law for which a charter may be revoked.

For further information regarding complaints contact the RSA office at 247-6933.

Special Education Services

Redding School of the Arts works continually to better establish open communication between Redding School of the Arts, the districts of residence and the Special Education Local Plan Area (SELPA) staff to ensure that students with exceptional needs are identified and that their needs are evaluated and served in compliance with any and all applicable laws.

- **Identification and Assessment**. Redding School of the Arts uses a broad range of practices to identify special needs. These include, but are not limited to reviewing admissions applications, obtaining and reviewing cumulative files, and an annual "Kindergarten Round-Up" day where we engage in various academic and other screenings such as vision, speech, and hearing screenings. RSA implements a full Student Study Team (SST) process to prevent unnecessary identification of special needs and to help ensure that students' needs are met in the traditional classroom environment. Through the North State Charter JPA, RSA receives professional and expert assessment services and maintains sophisticated capacity to develop and implement Individualized Education Plans (IEPs)."
- **Instruction** Delivery of Special Education Services occurs at the Redding School of the Arts school site or at other sites maintained by the school, district, county office of education or other appropriate providers. These arrangements are developed on a case by case basis and are

reviewed and modified on a regular basis in coordination with applicable laws and individualized education plans.

Parent Involvement Parent Involvement in identifying goals and priorities for their children's Individual Educational Program (I.E.P.) or Individualized Academic Instructional Program (A.I.P.) is necessary. These plans are based on an assessment of each child's level of functioning and learning styles, and developed through collaboration between teachers, staff, and when appropriate, the student.

STATE REQUIRED TESTING– Parent Opt Outs

Redding School of the Arts follows the rules and procedures for all State required testing. The California Assessment of Student Performance and Progress administration includes the Smarter Balanced Summative Assessments for English Language Arts & Math; the California Alternate Assessments (CAAs), including the CAA for Science; the California Science Test (CAST); and the California Spanish Assessment (CSA). (i.e. Physical Fitness Test(PFT), and CAASPP and CAST

In addition, RSA routinely utilizes various assessment scores to identify goals for our Local Control Accountability Plan and to provide appropriate resources/interventions to ensure all students are making adequate annual academic progress.

All students will participate in applicable state required tests as listed below. ** A parent or guardian must annually submit to the school a written request to excuse his or her child from any or all parts of any test provided pursuant to Education Code section 60640 for the school year. The written request must specify the tests to be exempted. (i.e. the smarter balanced Math test or All CAASPP testing.) If a parent or guardian submits an exemption request after testing has begun, any test(s) completed before the request is submitted will be scored and the results reported to the parent or guardian and included in the pupil's records.
